**CLASSIC HYDRONICS SCHOOL
WITH
DAN HOLOHAN**

FREE OF CHARGE!

Dear Master Plumber:

The New Jersey State League of Master Plumbers will be holding a CLASSIC HYDRONICS SCHOOL, with DAN HOLOHAN on Saturday May 1st 2010. **Admission is free to all New Jersey licensed Master Plumbers (a \$130.00 value).** The seminar will start at 8:15 AM and end at 12:30 PM followed by our all new Trade Show. We are hosting the Classic Hydronics School and Trade Show at the New Jersey Convention and Expo Center in Edison, New Jersey. ***You must pre-register to attend this great seminar, so fill out the form and return it now to reserve your place.***

Classic Hydronics Night School

In this all-technical night school, we'll look at the classic hydronic heating systems. Dan Holohan will give you a much better understanding of how they work, what goes wrong with them and why, and he'll share with you the tips he's picked up over the years on how to solve the classic problems that often plague these systems once and for all. Where is the air coming from? How come this radiator gets hot and that one doesn't? What can I do to lower the fuel bills?

We'll look at:

Gravity hot water heating	Pumping
Radiation	One-pipe loops
One-pipe primary-secondary	Diverter tees
Two-pipe direct- and reverse-return	Two-pipe primary-secondary
Multiple boilers	Air problems and their solutions
Classic radiant	And more!

If you have any questions, please feel free to call Michael Faraone @ 908-377-0359 or e-mail – HydronicsSchool@NJSLMP.ORG

We look forward to seeing you there!
